We have met a few times via conference call since the beginning of the year.

We have a strong program. Sherry & I believe that helped increase our number of attendees; up 27 from last year.

These same co-chairs have graciously agreed to co-chair the same committees for RNASFAA this fall.

This conference on-line evaluation will be emailed to attendees next week via the NDASFAA list serve.

We welcome two NEW sponsors to NDASFAA: College Ave Student Loans, Deb Gossman was unable to attend but sponsored yesterday's snack and College Raptor, Jeff Pierpont is here is you haven't met him yet.

We anticipate exceeding our conference budget due to meeting room rental charges here at the Delta. We are using this conference as a trial run for RNASFAA in October.

A Philanthropy update... we're at \$561.00 as of this morning, nicely done colleagues!
