

Electronic Initiatives Committee Meeting Agenda

April 14th, 2021

- Introduction of Members and what EI Committee does.
- Old Business from 2019's Conference regarding Archiving. Discuss how to explain how things can be stored on the website but not be visible to the public, and how to share that with the members.
 - Motion to Amend NDASFAA Bylaws on Archiving (Electronic Initiatives Committee) – At 2019 conference, discussed archiving website. The Electronic Initiatives Committee is researching options and will bring to next meeting. Everything was brought over from last website and space/storage is not an issue. The committee will bring a motion forward to next business meeting. Judy sent all old minutes to Becky, and Becky and Crystal archived them. No more paper files.
- Update on any changes with website
- Updates that have been done
- Looking forward at items on the list for the next year
