

Catching up with Campus Connection

Agenda

- What's new since Fall 2022?
- Looking Forward
- Open Discussion

What's new since Fall 2022?

Looking Forward

In Progress

- TDClient Transition
- FAFSA Received Communication
- Offer Letter Working Group
- SAP Working Group

FAFSA Simplification

- Complete re-write of State Grant ISIR Load process
- Update to State Grant awarding process due to new Pell Formulas
- Analysis of all current NDU Processes, Reports, and Queries for inclusion of EFC, Pell Eligibility, and other ISIR fields that may be changing.
- With input from CUSAD, analysis and implementation of possible workaround to removal of Housing Choice from FAFSA
- Implementation of new FWS COD reporting and possible revision to current FWS earnings updates in Campus Connection
- Training, testing, and implementation of new functionality from Oracle.
- Future end-user training.

ERP (PeopleSoft) Market Analysis Objectives'

- Explore ERP Trends & Developments
- Evaluate Options in the Marketplace
- Assess Risk & Opportunities
